# SHOW & TELL

Taking in the sights and sounds of the Billing Off Road Show can be tiring stuff – so why not take a seat, grab a bite to eat and join *Land Rover Monthly's* Martin Domoney and Steve Miller for 90 minutes of Land Rover goodness?

The duo will be taking to the Show and Tell stage on both the Saturday and Sunday at 1pm, for a series of laid-back chats with owners of some seriously cool vehicles. Situated on the raised bank just opposite the *LRM* stand, you'll be able to chill out with a cold drink and some lunch from one of the many food stands and learn more about some of the Land Rovers you might have seen around the show, but want to explore in more detail.

**WHERE?** The Show and Tell stage is located at the edge of the main arena, opposite the *LRM* gazebo – why not take advantage of one of our great subs offers while you're there? See the *LRM* promotion in this Guide.

**WHEN?** Show and Tell will be running from 1pm on both Saturday the 1st and Sunday the 2nd of July at the Billing Off-Road Show.

**WHO?** *LRM's* Editor Martin Domoney and Associate Publisher Steve Miller will be taking to the stage and interviewing enthusiastic owners about their vehicles, uncovering some great stories and interesting facts along the way.

*LRM's* Martin (far right) and Steve will be your hosts
